

**REMARKS**

Claims 1-23 were pending in the above-identified application, namely U.S. Serial No. 10/816,515. Applicant has herein withdrawn pending Claims 1 - 6. Applicant herewith acknowledges a Notice of Election/Restriction, mailed October 28, 2005.

5

**Conclusion**

Applicant submits that the present application is now in condition for examination.

Applicant specifically reserves the right to prosecute claims of differing or broader scope than those presented herein in subsequent correspondence.

10 Lastly, Applicant notes that any amendments made herein and not substantively discussed above are made solely for the purposes of more clearly and particularly describing and claiming the invention, and not for purposes of overcoming art. The Examiner should infer no (i) adoption of a position with respect to patentability, (ii) change in the Applicant's position with respect to any claim or subject matter of the invention, or (iii) acquiescence in any way to any position taken by the Examiner, based on such amendments or cancellations not substantively discussed.

15 If the Examiner has further questions or comments regarding this paper, he is invited to contact the undersigned directly at (619) 743-1551.

Respectfully submitted,
